Tobacco support levels up

ASCS TODAY
By TOM CONRAD

Support price levels for eligible kinds of tobacco will be 9.4 percent above those for 1979, according to Ray Fitzgerald, Administrator of the U. S. Department of Agriculture's Agricultural Stabilization and Conservation Service.

The 1980 support levels, by kind, and comparable 1979 rates are:

Kind	1980 CROP (cents per pound)	1979 CROP (cents per pound)
Burley, type 31	145.9	133.3
Virginia fire-cured, type 21	98.9	90.4
Virginia sun-cured, type 37	88.0	80.4

As in the past, price support will be made available to eligible producers through loans made to producers to help defray association administration costs.

Disaster program covers drought - Ninety-plus degree temperatures and lack of rainfall caused extensive crop damage in Appomattox County. The continuous dry spell has damaged over 5,000 acres of corn and grain sorghum.

The 1980 farm program authorizes disaster payment to help farmers whose crops are severely damaged by weather conditions such as drought.

Farmers should file for disaster payments while evidence of the damaged crop is present, and notify ASCS before destroying the crops or replanting to other crops.

Corn and grain sorghum farmers whose crop yield is less than 60 percent of the established yield may receive payments on production losses below 60 percent.

The ASCS disaster program also authorizes payments to farmers who are prevented from planting a program crop for harvest due to a natural disaster. However the natural disaster must also have prevented the planting of other later non-conserving crops.

To be eligible for payments, farmers must have participate in further specialized training in anticipation of his duties as a trooper-pilot.

Trooper T. W. Timberlake of Appomattox was recently chosen by the Virginia State Police as one of four pilots to receive helicopter flight training.

Timberlake, who also has his commercial/instrument fixed-wing rating, spent five weeks at AG-Rotors helicopter training facility in Gettysburg, Pennsylvania.

Upon completing the AG-Rotors course, Timberlake received the rating for commercial rotorcraft operation.

Trooper Timberlake will filed an accurate acreage report with ASCS. The county committee must verify that the production loss was caused by disaster.

For more details on payment provisions, contact the ASCS office.

By MARY BAGBY

Beloved, if God so love us, we ought also to love one another. 1 John 4:1

We were privileged to have Mr. Van Rilem, refugee of South Vietnam now living at Evergreen, Va. spoke at the 11:00 o'clock service at Hollywood Church Sunday. He made a very interesting talk. After all he has been through in prison camp and jungles of Vietnam, he says his faith in God is how and why he is here. He was a dinner guest Sunday of Mr. and Mrs. Dave Austin and Janet at John Mosby Inn.

Rev. and Mrs. Dan Menser and Mike spent a week in Pennsylvania and Washington on their vacation.

Mt. Pleasant news

"Praise ye the Lord, Praise God in his sanctuary let everything that hath breath praise the Lord." Psam 150:1-6

Homecoming was held at Mt. Pleasant Baptist Church July 27. Morning worhsip was at 11 a.m. with our pastor. Afternoon service with the evanglist Rev. Bill Johnson of Newark, New Jersey. He also was with us all of the week. We had three to come in and take Jesus as their personal Savior. Two to come from another church and two to renew the stewardship. Let us put our arms around them and give them support and let them know we are proud to have them join Mt. Pleasant.

Rev. Johnson poured out his heart to us. We were spiritually fed. We had a full house every night. Hoping for him to come back with us next year.

A large number of Mt. Pleasant members went on the charter bus to Detroit, Mich. to the Walker's and Woodridge family reunion. It was hot; but it was enjoyed by all. Met friends hadn't seen for years.

Some of Mt. Pleasant attended revival last week at Zion Baptist Calvary Baptist, Galilee Baptist and St. Luke in Brookneal, Va. They all were very good.

We are praying for the sick and shut-in.
